Professional Experience

LEAD MATERIAL HANDLER | SAGEBRUSH DISTRIBUTION GROUP, RENO, NV 2021 - PRESENT

- Run day shift crew of 10 across receiving, put-away, and shipping in a 320,000 sq ft DC.
- Cut mispicks by about 40% over 14 months by re-slotting fast-movers and coaching pickers on scan confirmations.
- Own daily cycle count program, hold location accuracy above 98.5% on quarterly audits.
- Coordinate with dock scheduler on 55-70 trailers per day, keeping detention charges near zero.
- Fill in for the supervisor during PTO and cover start-of-shift huddles and end-of-shift reporting.

SENIOR MATERIAL HANDLER | MOUNTAINVIEW INDUSTRIAL SUPPLY, SPARKS, NV 2018 - 2021

- Operated reach truck, order picker, and sit-down forklift across three shifts on a rotating schedule.
- Trained 14 new hires on the inventory system and safe operating procedures, most passed floor evaluation on first attempt.
- Led inbound receiving for hardware and industrial SKUs, processed roughly 210 POs per week.
- Piloted a bin relabel project that reduced put-away travel time on the mezzanine level.

MATERIAL HANDLER | SILVERLINE FREIGHT TERMINAL, CARSON CITY, NV 2015 - 2018

- Loaded outbound trailers using pallet jack and forklift, met daily door assignments.
- Kept dock plate and staging area to 5S standards through weekly audits.
- Earned perfect attendance recognition two years running.

Education

- Reno High School, 2015
- Forklift and reach truck training, employer-provided on-site, renewed 2024
