

Mehmet Pacheco

Baker's Assistant

Entry-level bakery professional with 2 years of experience in ingredient preparation, batch production, and workstation sanitation. Raised inventory accuracy from 91.2% to 97.16% by tracking and verifying ingredient deliveries using digital scales and FIFO rotation, and cut food waste by 16.5% by reviewing daily order sheets and scaling batch sizes on slower weekdays.

PROFESSIONAL EXPERIENCE

2025 - Present

Baker's Assistant | Shenandoah Crust Bakery, Staunton, VA

- Tracked and verified ingredient deliveries using digital scales and FIFO rotation, raising inventory accuracy from 91.2% to 97.16% over 8 months.
- Cut food waste by 16.5% by reviewing daily order sheets before each bake cycle and scaling batch sizes down on slower weekdays to eliminate surplus product.
- Passed 3 consecutive health and safety inspections with zero critical violations by cleaning and sanitizing workstations, mixers, and sheet pans after every bake cycle.
- Set oven temperatures for 4 daily bake rounds and monitored crust color on rolls, scones, and sandwich loaves, adjusting rack positions to prevent over-browning.

2024 - 2025

Bakery Prep Worker | Blue Ridge Morning Bake Shop, Waynesboro, VA

- Weighed and staged dry and wet ingredients for 9 recipes each morning, keeping inventory counts within \$1,050 of expected stock value per weekly audit.
- Passed 2 unannounced health inspections by following food safety and sanitation practices, including proper glove use, temperature logging, and equipment sanitization.
- Decorated 35 to 40 cakes and pastries per week with buttercream borders, fruit toppings, and fondant accents under lead baker direction.

EDUCATION

AAS, Culinary Arts

Virginia Western Community College, Roanoke, VA | 2022 - 2024
