PROFESSIONAL EXPERIENCE

SCHOOL NURSE | SPOON RIVER UNIFIED SCHOOL DISTRICT, GALESBURG, IL 2022 – PRESENT

- Delivered 17 health education sessions per year covering asthma action plans, hand hygiene, and food allergy safety for 4 grade-level groups across a 340-student campus.
- Reduced repeat clinic visits by 25.5% over two semesters by implementing structured follow-up care plans and parent communication for students with recurring complaints.
- Lowered playground and classroom emergency incidents from 38 to 27 per year by collaborating with classroom teachers to revise activity protocols and training 14 staff members on injury prevention.
- Documented all student encounters in SNAP Nursing Software within 5 minutes of visit close, maintaining FERPA-compliant records for 340 active student files.
- Screened blood glucose levels for 13 students with Type 1 diabetes each morning using blood glucose monitors, escalating 4 out-of-range readings per month to families within 30 minutes.

SCHOOL NURSE | KNOX PRAIRIE ELEMENTARY, KNOXVILLE, IL 2021 – 2022

- Designed and led 9 health education sessions on hand-washing technique and lice prevention for a 215-student K-5 campus, reducing related repeat visits by 19 students per semester.
- Decreased emergency incidents requiring off-campus transport from 11 to 7 per year by introducing an AED readiness check schedule and updating anaphylaxis response kits monthly.
- Tracked chronic-condition care plan adherence for 16 students, contacting families within 24 hours of any missed medication or supply gap.

STAFF NURSE | PRAIRIE CREEK PEDIATRIC ASSOCIATES, GALESBURG, IL 2020 – 2021

- Provided direct patient assessments using stethoscopes and sphygmomanometers for an average of 31 pediatric patients per day, charting findings in under 6 minutes per encounter.

- Created 7 patient education handouts on childhood asthma triggers and diabetes monitoring, distributed to families during well-child visits.
- Cut same-week return appointments by 18 patients per month by adding discharge education checklists and verifying parent understanding before visit close.
