PROFESSIONAL EXPERIENCE

PACKER | HUACHUCA CREEK DISTRIBUTION CO., SIERRA VISTA, AZ
2025 – PRESENT

- Load an average of 527 packages per week onto outbound pallets and conveyor lines, meeting all carrier pickup windows across 4 dock doors.
- Sustain 0 recordable safety incidents over 14 months by following OSHA guidelines for PPE use, lockout/tagout, and proper lifting technique.
- Pick and pack 193 units per hour using an RF scanner to verify SKU counts and container assignments before sealing.
- Measure and weigh cartons on calibrated bench scales, flagging 6 to 8 out-of-spec packages per shift for repack.

WAREHOUSE ASSOCIATE | MULE MOUNTAIN FULFILLMENT LLC, BENSON, AZ
2024 – 2025

- Packed and labeled an average of 437 packages per week across 3 product categories, using marking tools and barcode scanners to confirm lot numbers.
- Maintained 1 safety incident in 11 months by adhering to floor-marking protocols and reporting near-misses within 15 minutes of occurrence.
- Transported completed orders to customers' vehicles during will-call pickups, moving up to 28 orders per day with a pallet jack.

EDUCATION

- HS Diploma in General Studies, Buena High School, Sierra Vista, AZ | 2020 – 2024
