PROFESSIONAL EXPERIENCE

WAREHOUSE SUPERVISOR | PLATTE RIVER DISTRIBUTION GROUP, KEARNEY, NE | 2023 - PRESENT

- Renegotiated freight carrier contracts and consolidated outbound shipments, generating \$57,340 in annual cost savings for the distribution operation.
- Redesigned racking configuration across 4 storage zones, improving space utilization by 29.1% and eliminating the need for off-site overflow storage.
- Maintained a customer satisfaction score of 97.86% across 3 key accounts by reviewing pick accuracy at completion and resolving discrepancies before dispatch.
- Plan weekly work schedules for receiving, picking, and shipping crews, adjusting assignments within 2 hours to cover absences and volume surges.

WAREHOUSE LEAD | LOUP VALLEY FREIGHT SOLUTIONS, GRAND ISLAND, NE | 2021 - 2023

- Identified underused vertical space in 3 aisles and installed additional beam levels, raising space utilization by 22.2% without expanding the footprint.
- Cut outbound load errors from 14 to 3 per month by auditing loads against order specs before trailer departure.
- Conducted biweekly staff meetings covering forklift safety procedures, PPE requirements, and near-miss reporting aligned with OSHA regulations.
- Tracked inbound receipt times in Microsoft Excel and flagged delays exceeding 35 minutes, reducing average dock-to-stock time from 48 minutes to 29 minutes.

WAREHOUSE ASSOCIATE | BUFFALO CREEK LOGISTICS, LEXINGTON, NE | 2020 - 2021

- Scanned and verified inbound freight using a barcode scanning system, processing an average of 214 receipts per shift with a 99.76% label-match rate.
- Proposed a pallet stacking layout change that improved space utilization by 18.2% in the dry-goods staging area.
- Operated forklifts to load 9 outbound trailers per day, completing each load within 38 minutes on average.
