## PROFESSIONAL EXPERIENCE

**Associate Veterinarian** | Ozark Hollow Animal Clinic, Siloam Springs, AR | 2024 – Present

- Maintained an average surgery duration of 23 minutes across 247 procedures by standardizing instrument tray layouts and anesthesia induction sequences before each case.
- Performed 247 surgeries over 22 months, including mass removals, laceration repairs, and dental extractions using standardized anesthesia protocols.
- Scheduled and completed 18 daily appointments across wellness, sick-visit, and surgical-consult categories, maintaining a 4.7-hour average provider-available window.
- Counseled 43 families on euthanasia decisions over the past year, coordinating aftercare logistics and bereavement resources within 24 hours of each visit.

**Veterinary Intern** | Clear Creek Companion Veterinary, Fayetteville, AR | 2023 – 2024

- Assisted senior clinicians with 146 surgeries during a 12-month rotation, preparing surgical instrument packs and monitoring anesthesia equipment vitals.
- Handled 16 daily appointments including inoculations against rabies and distemper, recording each dose in cloud-based veterinary software.
- Processed \$3,530 in daily client payments on average, reconciling invoices and updating appointment schedules in Microsoft Excel each evening.

## EDUCATION

**Doctor of Veterinary Medicine**

Oklahoma State University, Stillwater, OK | 2019 – 2023
