Professional Experience

Dog Walker Supervisor, Rib Mountain Pet Services, Wausau, WI
2023 - Present

- Maintained 0 safety incidents reported over 26 months of daily multi-dog outings by enforcing leash protocols, weather guidelines, and pre-walk yard checks before every departure.
- Administered prescribed medications for 9 dogs per week, following owner instructions and logging each dose in the mobile scheduling app within 5 minutes of delivery.
- Earned a 4.87 client satisfaction rating in client feedback records by sending detailed walk summaries and confirming feeding and watering tasks after every visit.
- Trained 4 new walkers on safe handling techniques, cutting their solo-readiness period from 21 days to 13 days through structured ride-along sessions.

Senior Dog Walker, Evergreen Paw Companions, Marshfield, WI
2021 - 2023

- Completed 38 walking visits per week across a personal client base, covering an average of 6.4 miles per day on foot.
- Administered medications to 7 dogs each week, including joint supplements and allergy pills, with zero missed doses over 19 months.
- Performed grooming tasks such as brushing coats, cleaning ears, and trimming nails for 11 dogs each week between scheduled walks.
- Logged walk details and client-specific feeding instructions in Microsoft Word care sheets, reducing handoff errors to 0 for 9 consecutive months.

Dog Walker, Bluebell Trail Pet Care, Stevens Point, WI
2020 - 2021

- Walked dogs for 30-minute and 45-minute visits, exercising each animal on paths selected to match breed energy levels and temperament.
- Fed and watered animals according to owner-provided schedules, confirming completion via smartphone photo updates after each visit.
- Earned a 4.81 client satisfaction score within the first 8 months by keeping detailed notes on each dog's behavior and preferences.

Certifications

- Certified Professional Pet Sitter, Pet Sitters International, 2021
