- Injury prevention programming
- Travel logistics coordination
- Parent communication
- Conditioning periodization
- NFHS coaching standards

Professional Experience

HEAD COACH | PRAIRIE CREEK SOCCER CLUB, GALESBURG, IL 2023 - PRESENT

- Reduced team injury rate by 22.2% over two seasons by redesigning warm-up sequences and adding neuromuscular activation drills before every training session and match.
- Lowered goals conceded from 1.8 to 1.4 per match by reviewing Hudl film of 3 upcoming opponents each week and adjusting defensive shape and set-piece marking assignments.
- Coordinated 17 away game trips per season, arranging transportation, lodging, and parent communication for a 28-player roster across 4 away venues.
- Analyzed opposing teams' attacking tendencies through Sportscode tagging, building scouting reports that informed lineup decisions for 14 conference matches per season.

ASSISTANT COACH | KNOX COUNTY UNITED SOCCER ASSOCIATION, KNOXVILLE, IL 2021 - 2023

- Reduced goals conceded by 12.4% across a 16-game schedule by coaching a back-line unit of 6 defenders on zone-press transitions and recovery runs.
- Coordinated 9 away game trips for a U-17 squad, confirming bus schedules, field access, and referee assignments an average of 8 days before each match.
- Contacted parents of 32 players before each season to distribute medical forms, practice calendars, and emergency contact updates, resolving open items within 5 days.
- Built position-specific agility circuits from individual movement assessments, running them in 3 training sessions per week.

JUNIOR COACH | SPOON RIVER YOUTH ATHLETICS, CANTON, IL 2020 - 2021

- Planned 5 training sessions per week for a U-14 squad of 24 players, adapting drill intensity to each athlete's fitness level and recent game performance.
- Coordinated 6 away game trips during a 12-week fall schedule, managing parent driver rosters and arrival logistics for venues up to 90 minutes away.
- Helped lower team injury rate from 11 incidents to 8 incidents per season by introducing dynamic stretching routines and hydration tracking for all practices.

Education

- BS in Exercise Science
Western Illinois University, Macomb, IL | 2016 - 2020

Certifications

- First Aid/CPR/AED | American Red Cross | 2025
