ABOUT ME

Registered Nurse with 6 years of experience spanning bedside care, clinical staff education, and pre-licensure instruction, having developed 11 curriculum modules across pharmacology, maternal health, gerontology, wound care, and infection control. Raised the NCLEX first-attempt pass rate from 83.2% to 92.2% by initiating and moderating case-study discussions for pre-licensure student cohorts, and earned a 98.03% regulatory compliance audit score by updating policy manuals and aligning course documentation with OBRA requirements.

PROFESSIONAL EXPERIENCE

NURSING INSTRUCTOR | BLACK RIVER VALLEY COLLEGE OF NURSING, PARAGOULD, AR 2023 - PRESENT

- Achieved a 98.03% regulatory compliance audit score during the 2024 state board survey by updating policy manuals and aligning all course documentation with OBRA requirements.
- Developed 7 curriculum modules in pharmacology, maternal health, and gerontology, cutting average content-revision time from 14 days to 5 days per module.
- Initiated and moderated case-study discussions for cohorts of 23 pre-licensure students, raising the NCLEX first-attempt pass rate from 83.2% to 92.2%.
- Collaborated with 4 faculty colleagues to align clinical rotation objectives with accreditation standards, completing the review in 18 working days.

CLINICAL NURSE EDUCATOR | CROWLEY RIDGE HEALTHCARE PARTNERS, JONESBORO, AR 2021 - 2023

- Developed 4 curriculum modules on wound care, infection control, IV therapy, and fall prevention for 127 nursing staff across 3 units.
- Demonstrated sterile technique and catheter insertion procedures in a 12-bed clinical unit, training groups of 8 nurses per session.
- Prepared NCLEX-style practice exams in Canvas that helped new graduates improve their first-attempt pass rate from 82.4% to 87.9%.
- Maintained regulatory compliance documentation for OSHA bloodborne pathogens and fire preparedness training, scoring 98.01% on an internal audit.

STAFF NURSE | SPRING RIVER COMMUNITY HOSPITAL, HARDY, AR 2020 - 2021

- Demonstrated patient care techniques for 6 new graduate nurses during bedside rounds on a 24-bed medical-surgical unit.
- Precepted 6 new graduate nurses over a 38-day orientation, reducing average onboarding questions logged per week from 19 to 7.
- Participated in a regulatory compliance committee that raised the unit's annual audit score from 91.03% to 97.99%.
