## PROFESSIONAL EXPERIENCE

**Multimedia Journalist** | Upper Valley Media Group, Lebanon, NH  
2023 - Present

- Produce 11 multimedia packages per month combining video segments, photo essays, and written reports for broadcast and digital distribution.
- Conduct an average of 43 interviews per month with officials, witnesses, and community members to build accurate, layered coverage of regional news.
- Maintained a 98.07% deadline compliance rate across 2024 by coordinating field shoots, edits, and uploads within daily broadcast windows.
- Investigate breaking news developments including weather emergencies and municipal policy disputes, checking court records and public filings to verify claims before air.

**Reporter** | Monadnock Valley News, Keene, NH  
2021 - 2023

- Edited video segments in Adobe Premiere Pro for web and social distribution.
- Conducted 29 interviews monthly across education and public safety beats, gathering on-the-record statements for print and digital stories.
- Filed 284 assigned stories over a 2-year period on daily deadlines.
- Checked reference materials including property records, budget documents, and archived news files to supply background for enterprise reporting.

**News Assistant** | Granite Ledge Broadcasting, Concord, NH  
2020 - 2021

- Supported senior reporters by scheduling and conducting 22 preliminary interviews per month with sources for ongoing coverage areas.
- Assembled 4 multimedia packages monthly, editing video clips in Final Cut Pro and writing companion web copy under same-day deadlines.
- Reported news stories on local government and community events, describing background context and sourcing details for 3-minute broadcast segments.
