

FARAH WOLFE

Junior SQL Developer

Ellensburg, WA 12345 | (509) 555-0118 | farah.wolfe@example.com

PROFILE

Entry-level SQL developer with 2 years of experience writing T-SQL scripts, building SSRS reports, and validating datasets across production and intern roles. Reconciled billing and inventory tables to identify \$15,740 in duplicate charge entries over a 6-month period. Skilled in SQL Server, SSMS, SSIS, stored procedures, and JIRA.

KEY SKILLS

- T-SQL
- SQL Server
- SSRS
- SSMS
- SSIS
- Data Validation
- Stored Procedures
- JIRA
- Excel
- SDLC

PROFESSIONAL EXPERIENCE

Junior SQL Developer

Taneum Creek Data Solutions, Ellensburg, WA | 2025 - Present

- Reduced data processing errors from 16.3 to 14.1 per thousand records by adding column-level validation checks and constraint logic across 47 incoming datasets.
- Built 9 SSRS reports for the operations team, cutting average report generation time from 34 minutes to 22 minutes per scheduled run.
- Validated 62 datasets each quarter against source system extracts, flagging mismatches within 24 hours for correction by data stewards.
- Wrote T-SQL scripts to reconcile billing and inventory tables, identifying \$15,740 in duplicate charge entries over a 6-month period.

SQL Developer Intern

Manastash Ridge Technologies LLC, Yakima, WA | 2024 - 2025

- Analyzed and cleaned 38 datasets from three internal applications, reducing data processing errors by 8.3 errors per thousand records in the first 4 months.
- Automated 4 weekly Excel-based reports using SSRS, lowering report generation time from 2 hours 10 minutes to 1 hour 18 minutes.
- Drafted stored procedures and views in SSMS supporting GDPR-compliant data anonymization for 11 customer-facing tables.

EDUCATION

BS in Computer Science

Central Washington University, Ellensburg, WA | 2020 - 2024
