- Traffic Law Compliance

Professional Experience

TOP-RATED RIDESHARE DRIVER | WABASH BEND RIDES LLC, VINCENNES, IN
2022 - PRESENT

- Reduced dead miles by 51.7% through route optimization in Waze, cutting dead miles from 87 to 42 per week.
- Completed 2,840 trips over 3 years while maintaining 0 at-fault accidents by following defensive driving techniques and adhering to all traffic laws.
- Reviewed dash cam footage after each shift to identify route inefficiencies, trimming average trip distance by 1.3 miles over 6 months.
- Positioned near high-demand pickup zones between rides using the Uber Driver App heat map, reducing empty cruising by 9 miles per shift.

RIDESHARE DRIVER | KNOX COUNTY TRANSIT PARTNERS, BICKNELL, IN
2021 - 2022

- Completed 1,530 trips in 14 months with 0 at-fault accidents across a mix of urban pickups and 35-mile rural highway routes.
- Lowered daily mileage by 11 miles per shift by studying Waze satellite view to find shorter connector roads between staging areas.
- Kept the vehicle compliant with all auto insurance requirements and safety regulations by scheduling brake pad replacements, oil changes, and tire rotations within 48 hours of mileage alerts.

DELIVERY DRIVER | WHITE RIVER PARCEL CO., WASHINGTON, IN
2020 - 2021

- Drove an average of 23 delivery stops per shift across a 40-mile circuit, accumulating 0 at-fault accidents over the full 12-month period.
- Mapped multi-stop sequences in Waze each morning, reducing total route distance from 54 miles to 46 miles per day.
- Logged mileage and fuel expenses in QuickBooks weekly, keeping records reconciled within 45 minutes each session.

Education

- AS in Business Administration
  Vincennes University, Vincennes, IN | 2018 - 2020
