## PROFESSIONAL EXPERIENCE

2023 - Present

### Nail Technician, Desert Sage Nail Studio, Elko, NV

- Grew salon revenue by 43.5% over 14 months by introducing dip powder and chrome nail art services to the menu.
- Built a return client base of 134 guests by maintaining detailed preference notes in the appointment scheduling system.
- Completed training in 5 new nail techniques per year, including encapsulated flower designs and ombre gel fades.
- Prepared clients' nails using soapy water soaks, orange sticks, and cuticle nippers, following state sanitation and safety protocols.

2021 - 2023

### Nail Technician, Pinon Hills Day Spa, Spring Creek, NV

- Added acrylic sculpting and gel extension services to the nail department menu, taking an average of 14 new appointments per week.
- Maintained a return client base of 87 guests through consistent service quality and rebooking reminders.
- Trained 2 junior technicians on gel extension application and sanitation steps, with both cleared for solo bookings within 6 weeks.
- Sanitized tools and workstations between every appointment using sterilization equipment, maintaining zero cross-contamination incidents over 2 years.

2020 - 2021

### Junior Nail Technician, Ruby Valley Nails and Beauty, Elko, NV

- Roughened nail surfaces with a rotary abrasive wheel and shaped nails with files and emery boards for 9 clients per day.
- Grew personal return client list from 0 to 43 guests within 11 months.
- Cleaned and organized the 6-station work environment daily, restocking supplies and disposing of single-use items per state protocols.
