PROFESSIONAL EXPERIENCE

DIETARY AIDE | JUDITH CREEK SENIOR LIVING, LEWISTOWN, MT 2025 – PRESENT

- Updated 23 diet cards per week for a 68-bed assisted living unit, cross-referencing nursing notes and physician orders to keep each card current within 4 hours of a change.
- Served snacks and beverages to 54 residents daily using a snack cart, completing afternoon and evening rounds in under 45 minutes per round.
- Assembled meal trays with foods matching residents' prescribed diets, verifying each tray against diet cards before loading onto food trays and carts.
- Weighed and measured ingredients for pureed and mechanical soft textures, portioning 37 servings per meal period according to posted recipes.

FOOD SERVICE WORKER | YELLOWSTONE BASIN CARE CENTER, ROUNDUP, MT 2024 – 2025

- Served 41 residents daily during breakfast and lunch shifts, delivering trays to individual rooms within a 2-floor building in under 18 minutes per service.
- Assisted cooks with prep tasks including washing produce, slicing fruit, and arranging garnishes for 3 meal periods each day.
- Distributed 63 snacks and beverages daily from the steam table and snack cart, restocking supplies between meal services in under 12 minutes.

EDUCATION

- AA in General Studies, Montana State University Billings, Billings, MT | 2022 – 2024
