PROFESSIONAL EXPERIENCE

2024 - Present

Clinical Nurse Educator | Huachuca Valley Nursing and Rehabilitation, Sierra Vista, AZ

- Conducted 7 CNA classes per year for groups of 8 to 12 students each, preparing course syllabi, skills checklists, and handouts aligned with OBRA requirements.
- Raised clinical decision-making scores by 18 points on the post-course assessment by adding weekly case-study reviews to the existing lesson plan.
- Increased workshop participation from 31 to 54 attendees per session by restructuring the schedule to offer 3 evening options each quarter.
- Supervised students during 640 hours of clinical and laboratory practice annually, documenting skill sign-offs in Relias learning system.

2023 - 2024

Staff Nurse | Cochise Creek Senior Living, Benson, AZ

- Mentored 11 new hires at the bedside during a 47-day orientation program, advising each on career pathways and continuing education options.
- Improved clinical decision-making scores for 4 precepted nurses by an average of 14 points through structured debriefing after each shift.
- Charted assessments and care plans for an average of 13 residents per shift using the electronic health records system.
