ABOUT ME

Pediatric nurse with 6 years of experience spanning hospital bedside care and school-based health services, skilled in SNAP Nursing Software, Section 504 and IEP Accommodations, and FERPA-compliant documentation. Currently processing an average of 614 clinic visits per month across two school buildings while maintaining individualized health plans for 29 students with chronic conditions.

PROFESSIONAL EXPERIENCE

PEDIATRIC NURSE | CHESAPEAKE SHORES ACADEMY, SMYRNA, DE 2023 - PRESENT

- Administer medications to students with chronic conditions across two buildings, averaging 23 medication administration events per day with zero dosing errors over 14 months.
- Process an average of 614 clinic visits per month, triaging injuries and illnesses and documenting each encounter in SNAP Nursing Software within 4 minutes.
- Conduct vision, hearing, and growth screenings for 437 students per year, referring 34 students to outside specialists during the 2024-2025 cycle.
- Develop and maintain individualized health plans under Section 504 and IEP accommodations for 29 students with diabetes, asthma, and severe allergies.

SCHOOL NURSE | BAYBERRY CREEK SCHOOL DISTRICT, DOVER, DE 2021 - 2023

- Managed 17 medication administration events per day for a K-8 campus of 385 students, logging each event in SNAP Nursing Software before end of shift.
- Handled 473 clinic visits per month during peak cold and flu season, reducing hallway wait times from 12 minutes to 5 minutes by restructuring triage flow.
- Completed 312 annual health screenings, identifying 27 students requiring corrective lens prescriptions and 9 students needing audiology follow-up.
- Coordinated care plans with 6 community pediatricians and 3 mental health providers, maintaining FERPA-compliant documentation for every referral.

REGISTERED NURSE - PEDIATRICS | MURDERKILL RIVER COMMUNITY HOSPITAL, MILFORD, DE 2020 - 2021

- Assessed and monitored pediatric patients across a 16-bed unit, completing vitals and charting for up to 8 patients per shift in 45-minute rounds.
- Administered scheduled and as-needed medications averaging 11 events per day, verifying each order against physician notes and allergy records.
- Assisted with discharge planning for 19 pediatric patients per week, preparing medication instructions and follow-up schedules for families.
