- Classroom Management
- Socratic Seminar Facilitation
- SMART Board

PROFESSIONAL EXPERIENCE

ENTRY-LEVEL ENGLISH TEACHER | HOLSTON RIDGE HIGH SCHOOL, WYTHEVILLE, VA
2024 – PRESENT

- Teach 5 sections of English per day covering grades 9 and 10, planning CCSS-aligned lessons for literature analysis, grammar, and persuasive writing units.
- Raised student participation in Socratic seminars and peer-review workshops from 52 to 78 active contributors per week by introducing structured discussion roles and sentence starters.
- Improved student reading levels by 12% across 3 class sections in one semester using leveled guided-reading groups and weekly fluency checks.
- Record grades and attendance in PowerSchool for all sections, completing progress reports for 23 students flagged for academic support each quarter.

STUDENT TEACHER | NEW RIVER CROSSINGS MIDDLE SCHOOL, RADFORD, VA
2023 – 2024

- Planned and delivered 4 sections of ELA instruction daily under mentor guidance, building unit plans that covered fiction, nonfiction, and poetry over 9-week cycles.
- Moved 15 of 24 struggling readers up at least one reading level by running 30-minute guided-reading pull-outs 3 days per week.
- Created a SMART board vocabulary review game that increased weekly quiz scores from 71 to 83 points on average across 4 class periods.

EDUCATION

BA in English
Radford University, Radford, VA | 2019 – 2023
