- Vital Signs Assessment
- Care Plan Documentation
- Joint Commission Standards

Esther Kendrick

Staff Nurse

Registered nurse with 2 years of experience delivering bedside care on medical-surgical and telemetry units, using Epic EHR and telemetry/EKG monitoring to document assessments and track cardiac rhythms. Led bedside safety rounds that lowered patient falls from 4.3 to 1.8 per month over a 7-month period, and coordinated weekly scheduling drafts for 9 nursing staff members.

PROFESSIONAL EXPERIENCE

Staff Nurse | 2025 - Present
Stillwater Basin Medical Center, Fallon, NV

- Manage a patient load of 7 patients per shift on a 24-bed medical-surgical unit, following established care plans and administering scheduled and as-needed medications via IV therapy equipment.
- Coordinated weekly scheduling drafts for 9 nursing staff members, reducing uncovered shifts from 6 per pay period to 2 per pay period.
- Monitored patients for adverse drug reactions and side effects, documenting findings in Epic EHR within 20 minutes of each assessment.
- Led bedside safety rounds that contributed to lowering patient falls on the unit from 4.3 per month to 1.8 per month over a 7-month period.

Registered Nurse | 2024 - 2025
Churchill Valley Community Hospital, Fernley, NV

- Provided direct bedside care for 5 patients per shift on a 20-bed telemetry floor, monitoring cardiac rhythms on telemetry/EKG monitors and reporting changes to the charge nurse within 3 minutes.
- Assisted the charge nurse with daily staff scheduling adjustments, helping maintain coverage for 11 nurses across 3 rotating shifts.
- Observed and mentored 2 CNA team members during patient transfers, reinforcing fall-prevention protocols that kept unit fall incidents at 1.6 per month.

CERTIFICATIONS

- Registered Nurse License, State board of nursing, 2024
- National Council Licensure Examination for Registered Nurses, National Council of State Boards of Nursing, 2024
